

COMPANY PROFILE

RP Gas Piping is a full service, high-quality, safe, reliable contractor throughout Arizona. With our famous *"Do it right the first time"* mentality, RP Gas Piping creates value for our customers and business partners. Our company is a recognized leader of quality, accountability and professionalism with the goal of bringing our existing and future customers the best possible service.

*Experience the RP Gas difference. More than simply doing things right – **we do them better.***

— BRAD FRY, RP GAS PIPING

CUSTOMER SERVICE, QUALITY & SAFETY COMMITMENT

At RP Gas Piping, we hold three (3) principles that never waiver:

- 1) The Highest Customer Service Standards
- 2) Quality - Leaving the Customer 100% Satisfied
- 3) Safety Commitment

From skilled laborer to management, our professional team members understand that we do not deviate from these principles. We appreciate & look forward to your business.
